HEALTH AND MENTAL HEALTH SERVICES CLUSTER**

<b>AGENDA REVIEW</b>	04/8/15
<b>BOARD MEETING</b>	04/14/15
<b>SUPERVISORIAL DISTRICT</b>	All SD
<b>DEPARTMENT(S)</b>	Mental Health (MH) and Health Services (HS)
<b>SUBJECT</b>	APPROVAL OF APPROPRIATION AND STAFFING ADJUSTMENTS FOR THE OLIVE VIEW COMMUNITY MENTAL HEALTH URGENT CARE CENTER CRISIS STABILIZATION PROGRAM
<b>PROGRAM</b>	Mental Health Urgent Care Center (Mental Health UCC) is not a Lanterman-Petris-Short (LPS) designated facility due to its current operating hours; therefore, unable to treat individuals detained under the Welfare & Institutions (WIC) Section 5150. The Memorandum of Understanding (MOU) between DHS and DMH will augment the Mental Health UCC's staffing and current operating hours and meet the State's requirements for approval of the Mental Health UCC as a LPS designated facility capable of accepting WIC Section 5150 clients.
<b>DEADLINES</b>	N/A
<b>COST &amp; FUNDING</b>	For the remaining two months of FY 2014-15, the prorated amount is \$697,000 and for FY 2015-16, the funding to sustain this program is \$4.179 million, fully funded with State Mental Health Services Act and Federal Financing Participation revenues. In subsequent fiscal years, DMH and DHS will agree to the funding requirements in accordance to the term of the MOU.
<b>PURPOSE OF REQUEST</b>	Board approval of the Appropriation Adjustments will allow DMH to reimburse DHS to provide clinical personnel to staff at the Mental Health UCC, 24 hours a day, 7 days a week, to provide crisis stabilization services for clients who are detained under WIC Section 5150.
<b>SUMMARY/ ISSUES</b>  (Briefly summarize program and potential issues or concerns. Identify changes, if any, to level of funding or staffing; how funding will be utilized and why best use; prior accomplishments; and for BLs involving contracts, also note changes to the contract term.)	<p>Since the opening of Mental Health UCC in 2005, the center has offered crisis intervention services seven days a week, but less than 24 hours a day. Due to the facility's current operating hours, the California State Department of Health Care Services would not approve the County's LPS designation of the Mental Health UCC as a facility for the evaluation and treatment of individuals detained under the WIC Section 5150.</p> <p>As such, DMH and DHS have developed a MOU that will allow DMH to reimburse DHS for personnel costs to staff a crisis stabilization program at the Mental Health UCC. Board approval of the staffing and budget adjustments will allow the establishment of a LPS designated mental health crisis stabilization program at the Mental Health UCC which will broaden current crisis to 24 hours a day, 7 days a week and allow the Mental Health UCC to accept WIC Section 5150 clients.</p>
